Z-HOPE 2018

The April 30, 2018 deadline to submit documentation and reports was not met. Reports have been completed for most Z-HOPE eligible service with estimates of the impact.

Estimates included participants, cost, and impact to the community (demographics and population totals). Documentation was not available for many of the reports by the deadline.

Please remember to document your personal service on the centennial reporting page located at https://zphib1920.org/service/
